SEVEN CHURCHES OF REVELATION & more

May 19-26, 2025

During this tour we will travel through beautiful Aegean landscapes and visit spectacular ancient cities. Our focus will be the 'Seven Churches' to which St John wrote letters at the beginning of the Book of Revelation. These are not seven church buildings, but seven cities in which there were early Christian communities. Five of these cities (Ephesus, Pergamon, Sardis, Laodicea and Smyrna (Izmir) have magnificent ruins in evocative locations. We will also visit other sites, such as Hierapolis, a glorious ancient city which stands at the top of the snow-white travertine terraces of Pammukale (which we will walk upon). Ephesus of course is famous and remains one of the most sensational ancient cities in the entire Mediterranean region. The final day of the trip (Sunday 29 May) we will attend the morning service at the Anglican Church of St John the Evangelist, and visit other sites around the city, such as the Agora, the Citadel (Kadifekale) and the beautiful Catholic Church of St Polycarp. The group leader is the Revd James Buxton, Anglican Chaplain in Izmir, and we will also be accompanied by an excellent Turkish guide. May is a lovely month to travel in the Aegean region. The weather is warm and sunny, and the hillsides and ancient sites are ablaze with spring flowers.

May 20 Tue PERGAMUM (Rev 1:11; 2:12-17) and THYATIRA (Rev 1:11; 2:18-29) - IZMIR

This morning, we'll travel north to visit the first of the seven cities of Revelation—**Pergamum**. It is one of the most impressive archaeological sites in all of Turkey. Its attractions are hard to surpass: a 10,000-seat **theatre** on the side of the **Acropolis** that is the steepest in the ancient world; the magnificently restored **Temple of Trajan**; the remains of a **library** of 200,000 volumes second in size only to that in Alexandria; the base of the **Altar of Zeus**; the **Temple of Dionysus**; and the **medical center of Asclepion**. This ancient healing center had its own theater, library, underground tunnel and other buildings. John warned the church here that they were living in a place of "Satan's throne" (Rev. 2:12-17). On our way back to Izmir, we'll make a brief stop at the ancient city of **Thyatira**, where, due to the presence of the modern city of Akhisar, few archaeological remains have thus far been uncovered. John warned the church here about its toleration of a woman symbolically called Jezebel who was leading believers astray, causing them "to practice sexual immorality and to eat food sacrificed to idols" (Rev. 2:18-29). Return to Izmir. Dinner at Midpoint Restaurant. Overnight. **(B,D)**

Ephesus Theater

May 21 Wed EPHESUS (Acts 18:19-21, 24-26; 19:1-20:1; 20:16-17; 1 Cor 15:32; 16:8; Eph 1:1; 1 Tim 1:3; 2 Tim 1:18; 4:12; Rev 1:11; 2:1-7)

This morning we head south to the appealing small town of Selcuk. First, we'll visit the famous **ancient city of Ephesus**. This site had successive Hellenistic and Roman settlements and was an outstanding example of a Roman port city with a sea channel and harbor basin into which the Apostle Paul sailed. He lived and ministered here for 2-3 years after a riot in the **Great Theatre**, which we can still visit today. Excavations have revealed other grand monuments of the Roman Imperial period including marble-paved roads, terrace homes of the elite, Roman Baths, the Celsus Library, and more. Today, Ephesus is also one of the UNESCO World Heritage Sites. Next, we'll visit the **Tomb and Basilica of St. John**, the last-surviving disciple of Jesus who is said to have lived in Ephesus during his final years along with Jesus' mother Mary. After lunch in Selcuk, we drive to Mount Bulbul and stop at the **House of the Virgin Mary**. Both Christians and Muslims consider this site sacred, and on their visits they light candles and leave their prayers and wishes tucked into a wall there. In the evening we'll celebrate the Eucharist at the newly restored Anglican church of St Mary Magdalene, Bornova, followed by dinner al fresco in the gardens of one of Bornova's great Levantine mansions. Overnight Izmir. **(B,D)**

May 22 Thur DAY IN CENTRAL IZMIR

After breakfast we walk from our hotel to the Kemiralti (Izmir's grand bazaar) through the Basmane district along the chaotic but picturesque Anarfartalar Street. In the Bazaar we visit several of Izmir's beautiful synagogues and mosques, and the impressive Kizlagahanasi (a restored caravanserai) where we'll relax with a cup of Turkish Coffee. Lunch will be at the Abacioglu Han deep inside the Bazaar. We have a relaxed afternoon in which a stroll is recommended (!), which may include Clock Tower Square, a walk along the beautiful Kordon (seafront) with its cafes and galleries. Evening meal at Topçu Restaurant. Overnight Izmir. **(B,D)**

May 23 Fri SARDIS (Rev 1:11; 3:1-6), and PHILADELPHIA (Rev 1:11; 3:7-13) - COLOSSAE (Col 1:2) - PAMUKKALE

Depart for **Sardis**, one of the other cities of Revelation. Here, we'll see the remains of the magnificent **temple of Artemis**, the beautifully reconstructed **gymnasium and public baths**, and the largest known **synagogue** outside Palestine. We'll make a brief stop in **Philadelphia**, where much of this ancient city has either been destroyed or lies buried under the modern city. John wrote to the church here (Rev. 3:7-13), commending them for their patience endurance in spite of persecution. Our final stop is the beautiful unexcavated site of **Colossae**. This is an important site for Christians to visit since Paul sent two letters to this city: one to the church of Colossae and one to the rich Christian slave-owner Philemon, who hosted the Colossian church in his home. A short drive takes us to our hotel in **Pamukkale**, "the Cotton Castle." This area is another UNESCO World Heritage Site known for its breathtaking waterfalls and calcium cliffs. This evening, you'll be able to have dinner and relax at our hotel, and we will be able to take the plunge in some of Pamukkale's famous heated thermal pools. Dinner and Overnight in Pamukkale. **(B, D)**

Hierapolis

May 24 Sat LAODICEA (Col. 2:1, 4:13-16; Rev 1:11; 3:14-22), and **HIERAPOLIS** (Col. 4:13-15; 4:16) - **IZMIR**

Today our first stop is the spectacular ancient city of Hierapolis, where we'll see the recently discovered **Tomb and Martyrium of St. Philip** and the city's **theatre** with one of most impressive reconstructed **Roman skenes**. We'll conclude our visit with a walk along **Pamukkale's dazzling Calcium Cliffs**. After lunch we visit Laodicea, a major city in Roman times that is rapidly being uncovered. **Laodicea** had not one but two **theatres**, a **stadium**, an **aqueduct**, and over **20 churches** dating to Byzantine times that archaeologists have already uncovered. Laodicea is the last of the seven churches to whom John directed the book of Revelation (Rev. 3:14-22). It also had a close relationship with the nearby churches of Colossae and Hierapolis (Col. 4:13-15) and was the recipient of one of Paul's now lost letters (Col. 4:16). Return to hotel in Izmir. Dinner at Sirena Restaurant. Overnight in Izmir. **(B, D)**

May 25 Sun IZMIR

We attend 10.00 AM Eucharist at the Church of St John the Evangelist in the district of Alsancak. Enjoy refreshments with St John's Congregation, then walk to Kibris Sehitleri street and have lunch at Kircicegi Restaurant. After lunch we travel by coach to the citadel (Kadifekale), the place of the martyrdom of St Polycarp for spectacular views over the city. We conclude the day's visits with our final act of worship at the spectacular Roman Catholic Church of St Polycarp, where we will reflect on the life and witness of the city's most famous saint, and give thanks for the time of pilgrimage we have shared together. Final Tour Dinner at Adabeyi Restaurant. **(B, D)**
